Automatic paper feed makes installing paper easy

Highly visible backlit LCD display w/extra large typeface

Fully functional training and demonstration mode

Exceptionally user-friendly keyboard and menu system Supports credit, debit, check guarantee, EBT, pre-paid phone cards, cash tracking, gift cards, and tip programs

60-days of batch history memory reports available

Up to nine merchant accounts can share one Nurit 8320

Batch Store and Forward Support

Pre-dial call increases individual transaction speed

The Nurit 8320 is an upgrade from the Nurit 3020, and is based on the time-tested Nurit 2085 platform. The Nurit 8320 offers a compact terminal with a built in thermal printer and internal pinpad for pin-debit transactions. The Nurit 8320 is the most advanced, fully certified, land-line terminal available from Lipman.

The Nurit 8320 can accept an external pinpad, check reader, or smart card reader and like its predecessor can handle multiple merchant accounts on a single terminal.

The 8320 will meet the needs of most any retail business, and is compatible with almost every processor in the US.

Meeting all of your point-of-sale needs!
